\$90.00

SEAL N PEEL 10L

\$244

A high quality, single pack, water based, transparent peelable coating used for the temporary protection of a range of nonporous surfaces, which is very durable and easy to apply. It is used as a temporary coating applied to surfaces to protect from damaging elements e.g. Paint, glue, mortar, plaster, scratching, staining, and transportation damage, and can be easily peeled away to leave a clean, original surface.
